PRILIGHT LAMPS ARE

100% recyclable (base material) | B1 certified | CE certified | Patented

All of our lamps can be fitted with LED bulbs upon request and
are shipped in sturdy and protective packaging direct to your door.
Just unpack it, switch it on and be amazed!

Production of the material and lamps takes place as part
of a close cooperation between Switzerland and Austria.

The prices listed in the online shop apply to orders for small amounts.

Please send us an enquiry regarding orders for larger amounts or regular orders
and we will send you an individual quotation. And to make sure it isn't just
our prices that you are impressed by, we produce a few samples
for you to approve before we begin production.

I look forward to hearing from you and will be happy to answer any questions you may have.
